## ATTENTION COMMUNITY MEMBERS

Please do not water your lawns or leave your water running un-supervised.

Did you know that by 2025:

- 1800 million people will be living in countries or regions with absolute water scarcity
- two-thirds of the world population could be under stress conditions caused by water scarcity

Did you know that:

- the world's six billion people are using 54 percent of all accessible freshwater contained in rivers, lakes and underground aquifers
- the volume of freshwater resources is around 35 million km<sup>3</sup>, or about 2.5 percent of the total volume which is 1.4 billion km<sup>3</sup>
- about 24 million km<sup>3</sup> or 70 percent of freshwater resources is in the form of ice and permanent snow cover in mountainous regions, the Antarctic and Arctic regions

Thank you for saving water one drop at a time

When you conserve water, you conserve life

Thank you from the Public Works Team

## WRITTEN INFORMED CONSENT: CIRCLE OF CARE

### Preamble:

N'Mninoeyaa Aboriginal Health Access Centre and your Health Centre are collectively committed to protecting your health information in order to provide safe and quality care to the clients we serve. Within our primary health care model, we operate through a Wellness Team. This Wellness Team is here to ensure that you receive the most appropriate care with the right provider at the right time. Our Wellness Team does this through a concept later discussed within the brochure, the *Circle of Care*. The *Circle of Care* identifies which members on your team will need to access your health information in order to support your health care needs based on your reason for visit. The members of your Wellness Team will change periodically based on which services and supports you access.

### Purpose:

The purpose of this document is to help you understand who is a part of your Wellness Team and Circle of Care, as well as to give you an opportunity to tell us who you are comfortable with having access to your health information.

### Consent:

By signing this consent form with the N'Mninoeyaa Aboriginal Health Access Centre, you are consenting for us to share your health information for the following purpose(s):

# Circle of Care

## N'Mninoeyaa Aboriginal Health Access Centre

**Openness:**  
if you would like to know more about how your personal health information is handled and shared, please contact our Chief Privacy Officer, Roger A. Boyer II, at [privacy@nmninoeyaa.ca](mailto:privacy@nmninoeyaa.ca) or 705.844.2021 ext. 320 for further information.

[privacy@nmninoeyaa.ca](mailto:privacy@nmninoeyaa.ca)

- Provide/assist with providing health care within our Wellness Teams;
- Plan or deliver health programs or services;
- Arrange internal and external referrals within the *Circle of Care*;
- Complete Primary Health Administration duties i.e. Manager(s) reports and program performance monitoring;
- Administer and manage the health care system;
- Gather statistics for programming, monitoring and/or research (*your health information not used, aggregate data only*)
- Comply with legal and regulatory requirements i.e. Personal Health Information Protection Act;
- Arrange payment for your treatment and care from OHIP, WSIB and/or your private insurer or others;
- Teach healthcare professional students; and
- Fulfill other purposes permitted or required by law i.e. Duty to Report, Reportable Diseases and Subpoena(s).

If the N'Minooyaa Aboriginal Health Access Centre needs to disclose and/or use your personal health information beyond the above criteria, we are required to ask you for additional consent.

**Your Wellness Team, Your Circle of Care:**

The N'Minooyaa Aboriginal Health Access Centre and/or your health centre operates and provides service/support with our clients under the principle of the *Circle of Care*. The *Circle of Care* is the group of health care providers treating your health needs **who need to know** your health information to carry out the best possible care plan with you.

Your Circle of Care may include but is not limited to:

- ✓ Primary Health Care Provider(s) i.e. Doctor(s) or Nurse Practitioner(s)
- ✓ Community Health Nurse(s)
- ✓ Community Health Representative(s)
- ✓ Clerical and Clinical Care Coordinator(s)
- ✓ Physiotherapist(s)

- ✓ Community Support Services team i.e. Home & Community Care Manager(s), Geriatric Social Worker(s) Pharmacist
- ✓ External Referral team i.e. NIHB clerk(s), hospital, public health unit(s) or specialist

Disclaimer: If new providers enter the existing circle of care, a public notice will be posted giving you the opportunity to notify our Chief Privacy Officer if you would like to make any changes to your circle of care.

**Limiting Collection:**

Providing us with personal information and health information is always the client's choice. Consent may be withdrawn at any time (subject to legal restrictions and with reasonable notice). The client may limit the information that we are able to share, or to limit those with whom we can share it. However, such limitations may restrict the services and/or programs we are able to provide. If the client chooses not to provide us with essential information, it is possible that we may not be able to offer the client services or program opportunities. We will always do our best to resolve any concerns that the client may have so that we can provide him/her with services and programs in the best way possible.

There are also legal exceptions that preclude client consent as per Limits of Confidentiality.

**Limited Use, Disclosure and Retention:**

We will only use or share personal information and health information for the purposes for which it was provided, unless the law otherwise requires us. We are legally required to keep information for 10 years and for children, 10 years past the client's 18th birthday, based on the *Regulated Health Professions Act*. Beyond that time frame, records will be disposed of by locking the information within our electronic medical record

**Accuracy:**

We will keep personal information and health information as accurate, complete and up-to-date as possible.

**Safeguards:**

We secure our files, our computers and other locations where information might be kept or used. We ensure that all our staff, students and volunteers have signed a confidentiality statement and have received training on the organization's policies and procedures to protect client privacy. N'Minooyaa and its First Nations/Partner Sites' staff adhere to government regulations set out in the *Personal Information Protection and Electronic Documents Act (PIPEDA)* and the *Personal Health Information Protection Act (PHIPA)*. If there is a privacy breach and personal health information is stolen, lost or accessed by unauthorized persons, the client will be notified immediately by the Chief Privacy Officer and/or your health centre's privacy officer (Tier 1).

As a health services agency, we will review our policies and procedures annually to ensure privacy, security and confidentiality practices are adhered to. In between policy reviews, the Chief Privacy Officer and Tier 1 Privacy Officer(s) are responsible for monitoring and running log audits to ensure your health information is safe and no one is trying to access your information who is not involved in your care plan.

It is our privilege to offer the contact information to our Information and Privacy Commissioner of Ontario. This office is responsible for making sure that the privacy law is followed. If you were unable to resolve a problem directly with our agency, or for more information about your privacy rights contact the Information and Privacy Commissioner of Ontario at:

## **PET CARE TIPS**

**Pets can provide companionship and love to the people or families who own them, but it is important to remember the cost and time that animals require before you go out and get a new cat or dog.**

- Health care**      Annual veterinary visits, check-ups, vaccines, spaying or neutering
- Exercise**            Regular exercise; be mindful of weather conditions and age of pet
- Grooming**            It is important to groom on a regular basis, brushing\combing coat, clipping nails, brushing teeth
- Nutrition**            Proper food at different life stages and having **fresh water available at all times**
- Housing**             Best place to house your pet is in your home, if left out for extended periods of time it could lead to behavioral problems or aggression, companionship is needed for health and happiness

**Being a responsible pet owner means caring for your animals needs and if you find you have a pet you cannot care for properly, try to find a new home for your pet so you both can be happy.**

## UPDATE FROM DANA BOYER LANDS AND RESOURCES TECHNICIAN

If you own an aggressive or protective dog, **please make sure you post a sign, Beware of Dog(s)**, to warn visitors of the potential danger when visiting your property.

Right To Play is an athlete-driven, international humanitarian organization that uses sport and play as a tool for the development of children and youth. The Promoting Life-skills in Aboriginal Youth (PLAY) Program is a Right To Play program that is designed to provide youth with the opportunity to develop leadership skills. At PLAY programming and workshops, youth will learn how to be an inspiration and leader among their peers and to others.

At the PLAY program, you can expect to have fun, meet others, share your ideas and be challenged! Expect to learn more about Right To Play, and how you can be a youth leader in your community. Wear comfortable clothes that you can play games and sports
